JK Lakshmipat University

Admission Process — Academic Year 2026–27

STEP 01

Application Submission

Before applying, take time to explore the programs offered at JKLU. Whether you're interested in Engineering, Management, or Design, you'll find detailed information on programmes, specialisations, faculty, and career pathways.

Check programme-wise eligibility: www.jklu.edu.in/eligibility/

STEP 02

Personal Interaction

To begin your application, you must first register on our online admissions portal.

Go to: applications.jklu.edu.in

Click on “Register”

Enter your basic details (name, email ID, mobile number)

Create a password and verify your email/OTP

Once registered, you can log in anytime to continue or review your application.

STEP 03

Accept Offer of Admission

After logging in, fill out the application form carefully.

You will need to provide:

- Personal and contact information
- Academic background and marksheets
- Program and specialisation preferences
- Details of any entrance exams taken (if applicable)
- Upload scanned documents (photograph, signature, academic certificates)

Make sure all details are accurate before proceeding.

STEP 04

Pay the Application Fee

To submit your application, you must pay the non-refundable application fee as per the specific programme.

- Payments can be made online via net banking, credit/debit card, or UPI.
- A receipt will be generated and emailed to you upon successful payment.

STEP 05

Appear for Faculty Interaction

Once your application is complete, the admissions team will contact you to schedule a faculty interaction—an informal interview to understand your interests, motivations, and aptitude for the program.

This step is mandatory and helps us assess your fitness for the JKLU experience.

STEP 06

Entrance Examination (If Applicable)

Depending on the program you're applying for, you may need to appear for a relevant entrance exam:

- **B.Tech:** JEE Main
- **B.Des:** JKLU Design Entrance Test (JK-DET) + Portfolio Review
- **BBA:** No entrance test required. Admissions based on past academic record and faculty interaction.

STEP 07

Offer of Admission

If you are shortlisted, you will receive a Provisional Offer of Admission by email, which includes:

- Your program details
- Fee structure
- Deadline for confirming admission

STEP 08

Confirm Your Admission

To secure your seat:

- Accept the offer by logging into the admissions portal
- Pay the admission confirmation fee within the specified timeline

You will then receive further instructions for the onboarding and induction process.

STEP 09

Join the JKLU Community

Once your admission is confirmed, you will be welcomed into the vibrant and inclusive JKLU community. You'll receive updates about the induction programme, campus orientation (Aarambh), hostel accommodation, and class schedule.
