- All other scholarship criteria shall remain the same.

2. Scholarship Considerations

Scholarship Eligibility

If a student qualifies for more than one scholarship, only the higher-value scholarship will be applied.

Sibling/Alumni Discount

A 20% discount is available for siblings of alumni who have graduated from JKLU with a full-time degree. This discount applies only to new enrollments, not to siblings already enrolled.

Scholarship Applicability

Scholarships apply solely to academic fees.

3. Scholarship Continuation

At JK Lakshmipat University, scholarships for subsequent academic years depend on the student's performance in the program.

CGPA of Previous Year	Performance-based Scholarship for Next Year
Above 9.5	75%
> 9.0 and ≤ 9.5	50%
> 8.5 and ≤ 9.0	25%
8.0 and ≤ 8.5	10%

- The scholarships given out in the first year will not be applicable from the second year onwards, except scholarships from the “Special Circumstances” category.

- In order to avail a scholarship after the first year, students must obtain a minimum CGPA of 8.
- The amount given as scholarship will then be contingent on the CGPA obtained by the student.
- This policy will not be applicable to existing students and will only apply to Batch 2026.

4. Financial Assistance

At JK Lakshmipat University, we believe that financial constraints should not come in the way of a student's plan to pursue higher education. Apart from scholarships, the university provides financial assistance to students by facilitating applications for educational loans from external financial organizations. Our collaborations with these organizations cater to the needs of students by helping them obtain loans at an attractive rate in a hassle-free manner.

5. Role of Disciplinary Committee

The Disciplinary Committee and the Unfair Means Committee have the authority to alter or terminate scholarships based on violations of academic or disciplinary standards.

The consequences of such breaches are as follows:

- **First Offense:** Reduction of scholarship to the next lower percentage level.
- **Second Offense:** Complete revocation of the scholarship.

These committees have the discretion to either maintain the scholarship in cases of minor infractions or remove it entirely on a first serious offense. This policy ensures that scholarships are awarded in a manner that upholds the integrity and standards of JK Lakshmipat University.
